## Company Overview

PDG, a woman-owned small business founded in 2012, has established a national presence and a strong track record of delivering innovative solutions across various industries, including federal agencies. We provide a comprehensive suite of talent management solutions designed to address diverse organizational needs, ensuring clients meet their strategic goals through expert organizational restructuring, workforce optimization, and comprehensive talent management. Specializing in full-spectrum talent management, PDG expertly navigates the complexities of the modern workforce. Our services, ranging from organizational restructuring to talent acquisition, are meticulously crafted to enhance the efficiency and effectiveness of human capital. Key services include: PDG has demonstrated its capability in managing substantial human capital, with experience supporting organizations with workforces totaling approximately 140,000 globally, 60,000 personnel in federal agencies, and 19,000 employees in specialized sectors.

## Core Competencies

- Full-Spectrum Talent Management: Expertise in developing and implementing comprehensive talent management strategies, including organizational restructuring, workforce optimization, and strategic talent acquisition.
- Federal Agency Experience: Proven ability to deliver tailored solutions for federal agencies, addressing complex workforce needs and regulatory requirements with precision.
- Global Workforce Optimization: Skilled in managing and optimizing large-scale global workforces, ensuring alignment with organizational goals and enhancing overall human capital effectiveness.
- Strategic Resourcing Solutions: Proficient in identifying, recruiting, and deploying top talent across diverse sectors, leveraging advanced tools and methodologies to meet critical staffing requirements.

## Differentiators:

**Innovation in Action:** Continuous advancement in talent management by integrating cutting-edge technologies and methodologies, ensuring our clients benefit from dynamic, scalable solutions that keep them ahead in a competitive landscape.

**Beyond Service:** Crafting Lasting Relationships with White Glove Care.

**Unrivaled Customer Commitment:** Our dedication goes beyond service, as we forge enduring relationships through personalized care and an unwavering commitment to respond within 24 hours, ensuring your needs are met with unparalleled attentiveness.
